

TAXPAYER'S RSA 76:16 ABATEMENT APPLICATION TO MUNICIPALITY

City of Manchester, NH

Board of Assessors
One City Hall Plaza
Manchester, NH 03101
(603) 624-6520

TAX YEAR APPEALED **2015**

INSTRUCTIONS

1. Complete the application by typing or printing legibly in ink. **This application does not stay the collection of taxes; taxes should be paid as assessed. If an abatement is granted, a refund with interest will be made.**
2. File this application with the municipality by the deadline (see below). Date of filing is the date this form is either hand delivered to the municipality, postmarked by the post office, or receipted by an overnight delivery service.
3. **If you would like a written response to our decision of your abatement application you must provide us with a self addressed and stamped envelope or e-mail address. If you have not provided either of these things, you will not be contacted.**

DEADLINES: The notice of tax means the date the board of tax and land appeals (BTLA) determines the last bill was sent by the municipality. (If your municipality bills twice annually, you must apply after the bill that establishes your final tax liability and not before.)

Step One: Taxpayer must file the abatement application with the municipality by March 1 following the notice of tax.

Step Two: Municipality has until July 1 following the notice of tax to grant or deny the abatement application.

Step Three: Taxpayer may file an appeal either at the BTLA (RSA 76:16-a) or in the superior court (RSA 76:17), but not both. An appeal must be filed:

- 1) no earlier than: a) after receiving the municipality's decision on the abatement application; or
b) July 1 following the notice of tax if the municipality has not responded to the abatement application; and
- 2) no later than September 1 following the notice of tax.

FORM COMPLETION GUIDELINES:

1. **SECTION E.** Municipalities may abate taxes for "good cause shown" RSA 76:16. Good cause is generally established by showing an error in the assessment calculation or a disproportionate assessment. Good cause can also be established by showing poverty and inability to pay tax.
2. **SECTION F.** If the abatement application is based on disproportionate assessment, the taxpayer has the burden to show how the assessment was disproportionate. To carry this burden the taxpayer must show: a) what the property was worth (market value) on the assessment date; and b) the property's equalized assessment exceeded the property's market value. To calculate the equalized assessment, simply divide the assessment by the municipality's equalization ratio (assessment ratio). Because a property's market value is a crucial issue, taxpayers must have an opinion of the market value estimate. This value estimate can be shown by obtaining an appraisal or presenting sales of comparable properties.
3. **SECTION H.** The applicant(s) must sign the application even if a representative (e.g. Tax Representative, Attorney, or other Advocate) completes Section I.
4. **Make a copy of this document, prior to submission, for your own records.**

SECTION E. Reasons for Abatement Application

RSA 76:16 provides that an abatement may be granted for "good cause shown." "Good cause" generally means:
1) establishing an assessment is disproportionate to market value and the municipality's level of assessment; or
2) establishing poverty and inability to pay the tax. This form can be utilized for either basis of requesting an abatement. The taxpayer has the burden to prove good cause for an abatement.

1. If claiming disproportionality, state with specificity all of the reasons supporting your application. Statements such as "taxes too high", "disproportionately assessed" or "assessment exceeds market value" are insufficient. Generally, specificity requires the taxpayer to present material on the following (all may not apply)

- 1) physical data -- incorrect description or measurement of property;
- 2) market data -- the property's market value on the April 1 assessment date, supported by comparable sales or a professional opinion of value; and/or
- 3) level of assessment -- the property's assessment is disproportionate by comparing the property's market value and the town wide level of assessment.

Note: If you have an appraisal or other documentation, please submit it with this application.

2. If claiming poverty or inability to pay, state in detail why abatement of taxes is appropriate as opposed to some other relief such as relocating, refinancing or obtaining some alternative public assistance. Ansara v. City of Nashua, 118 N.H. 879 (1978)
